THE TIGER IN THE SCHOOL

It was a dark winters morning and a tiger was walking to school. The tiger was tired and he slept for 4 hours. He woke up and saw the children running in the playground.

As he got there the children all screamed. The tiger was scaring the children. "Run!" they all shouted. The tiger was walking to the den and he broke the clock.

The tiger was going to the classroom and he found one of the children's books. The child told the teacher and the teacher told the tiger to leave the school and the tiger ran and crashed into his home.

The tiger ate his dinner and walked back to school. As he got there the children said "Help!" as the tiger smashed the clock in the classroom again and the computer. The teacher said "I hope he hasn't broken anything again."

The children pushed the tiger out of the classroom and the tiger walked away from the school in the end and the tiger felt sad.
